HOME & DRY

Welcome to our Xmas newsletter

In this edition, we celebrate a remarkable landmark that represents a significant achievement for us all. We look forward to building on our success together, as we continue to make a lasting impact.

How do we help?

Home & Dry recognise the difficulties young, disadvantaged people face, when trying to secure safe, independent accommodation; specifically those that can afford to pay rent, but can't fund a deposit.

On the recommendation of our Partners, we can swiftly come to the help of these youngsters, by funding their deposit with a Home & Dry Starter Grant.

What can you do?

If you know a youngster in Nottinghamshire aged between 16 to 25, doing their best to get back on their feet, but they are struggling to fund a rent deposit, we'd like to hear from you.

Christmas came early this year

In awarding its 100th Starter Grant this November, Home & Dry reached a notable milestone. Needless to say, we're delighted to have given 100 young, disadvantaged people in Nottinghamshire, a well deserved 'leg up' to secure their home.

Wayne White from the Leaving Care Central Team shared his appreciation for the Home & Dry Starter Grant, saying, "I'm proud to be the 100th user of this exceptional service, which in the past few years has helped a number of young people I support to secure their own tenancies. I value how quickly and favourably the service responds to my requests, easing many concerns for the care leavers I support."

As ever, we want to say a heartfelt thank you to our amazing Partners. Everything we achieve is down to your hard work and support; we couldn't do it without you. And don't forget, in many cases, we can act fast to help you make a real difference in assisting young people secure their home. We're here for you, so don't hesitate to reach out.

We wish you all a happy Christmas and look forward to working together in the coming year.
